B.Com (Honours) with ACCA

Admissions Open 2023 - 2024

B.Com (Honours) with ACCA

B.Com (Honours) with ACCA is integrated and embedded with ACCA Syllabus and leads to ACCA Qualification with paper exemptions. ACCA (The Association of Chartered Certified Accountants) is the global body for professional accountants. ACCA aims to offer business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management. ACCA supports their 2,19,000 members and 5,27,000 students throughout their careers, providing services through a network of 104 offices and active centers. ACCA's focus is on professional values, ethics, and governance, and ACCA deliver value added services through 98 global accountancy partnerships, working closely with multinational and small entities to promote global standards and support.

Why ACCA?

Here are just some of the reasons why you should choose ACCA as your route to becoming a qualified accountant.

- Employers Know and respect our qualifications and value the skills and contribution ACCA accountants make to their organization. As an ACCA – qualified accountant, you will be in demand for having the right skills.
- Study and work wherever you want your career path to take you because ACCA qualifications are recognized and valued around the world.
- Flexibility is key when it comes to gaining your ACCA Qualification, with different starting points, study methods to choose from and choice when it comes to when and where you gain your relevant on-the-job training.
- ACCA has a network of 104 offices around the world, so you can rely on the services and support you would expect to receive from a global organization.

Programme Highlight:

- Industrial Visit
- Capstone Project
- Summer Internship
- Training on expert level of Excel and Database Management System
- Communication skill and other soft skill programme.
- Syllabus includes mathematics and logical reasoning.
- Various value-added course that includes CA-CPT, CMA-US, Data Analytics, Digital Marketing and more.
- Equips the students with necessary conceptual business and analytical skills required for handling business operations.
