BBA Financial Services with CIMA Admissions Open 2023 - 2024

BBA Financial Services with CIMA

The BBA Financial Services with CIMA program is integrated and embedded with CIMA Syllabus and leads to CIMA Qualification with paper exemptions. CIMA-The Chartered Institute of Management Accountants - is a leading membership body that offers an internationally recognized qualification in Management Accounting, which focuses on accounting for business. Becoming a Chartered Management Accountant can accelerate your career and boost your salary. It is a proven path to business success. This is specially designed for those who wish to develop a successful and diverse career in Financial and Business Management. CIMA is similar to ICWA in India and IMA of USA and equips you with eligibility to work in India and 177 countries.

Why CIMA?

Here are just some of the reasons why you should choose CIMA as your route to becoming a qualified management accountant.

- CIMA prepares people for a career in business. It teaches skills for strategic advice, managing risk and making key decisions.
- CIMA members are qualified to work across an organisation, not just in finance. In addition to strong accounting fundamentals, CIMA teaches strategic business and management skills:
- By becoming a CIMA member you will join the world's largest professional body of management accountants. You will be able to use the Chartered Global Management Accountant (CGMA) designation and be part of a truly global network.
