Did You Know?

India

to become the largest Aviation industry by **2030.**

Indian Aviation Minister's Keynote Speech.

We are the 3rd
Largest domestic
Aviation market
in the world.

Civil Aviation will become
the biggest transportation
of India over the next 10
Years.

By Combining Domestic
and International we are
the 7th Largest Aviation
market in the world.

By the next year
FTOs Count
will increase from
35 to 49.

In India 200 Million
Passengers will grow
to 400 Million in next
5 to 10 years.

Indian Aviation is
growing at the rate
of 125 Aircrafts
per year.

Due to the rapid growth and
usage of drone technology
in various sectors the demand
of the drone pilots will be
increased in the near future.
