## ABOUT US

### ABOUT THE UNIVERSITY

Since 1984, B.S. Abdur Rahman Crescent Institute of Science and Technology in Chennai has been a leading institution in higher education. With 57 programs across 12 schools, including 32 undergraduate, 25 postgraduate, and Ph.D. programs, we provide quality education and robust placement opportunities. Our campus fosters a dynamic learning environment with a focus on intellectual growth and personal development, welcoming students from around the world.

### SCHOOL OF LIFE SCIENCES

The School of Life Sciences, which boasts over 19 active research labs covering biotechnology, biochemistry, microbiology, and more. The school offers comprehensive undergraduate and graduate programs, including M.Sc. and Ph.D. courses, alongside short-term certificate courses. Students benefit from learning from top experts and engaging in cutting-edge research with internationally trained faculty.
