

One Day Workshop on "Applications of Non-Destructive Testing of Materials in Industries"

PREAMBLE

The Department of Aerospace Engineering and the Department of Mechanical Engineering has organized a one-day hands-on workshop on Applications of Non-Destructive Testing of Materials in Industries held on 4th November 2025 at B. S. Abdur Rahman Crescent Institute of Science and Technology, Chennai. Total 30 participants registered for this workshop. Including participants from academicians, research scholars and students. The main objective of NDT in industries is to ensure the reliability, safety, and quality of materials and components by detecting defects and irregularities without impairing their usefulness. This workshop has a charge of 200 INR to cover the expenses.

Organizes

A Workshop on

**APPLICATIONS OF
NON DESTRUCTIVE
TESTING OF MATERIALS
IN INDUSTRIES**

A guest Lecture and a live-demo of NDT
methods for the benefit of the students

04th Nov 2025
Tuesday ⌚ **at 09.30 AM**

Seminar Hall, Dept of Mechanical Engineering
(Third Floor)

Registration: ₹ 200 (Per Student)

Guest Speaker
Mr.S. Syed Thahir
(Consultant-NDT)

Conveners:
Dr. H. Siddhi Jailani, Professor & Dean (SMS)
Dr. A.S. Selvakumar, Prof. & HoD (Mech)
Dr. M.Magesh, Asst Prof.(Sr. Gr.) & HoD (Aero)

Coordinators:
Dr. R.Karunanithi Associate Professor, Aero
Dr. M. Abdur Rahman Assistant Professor (Sr. Gr.), Mech

The speaker for the first session Mr. S.Syed Thahir, Consultant NDT, Sound Tech weld Inspection & consulting services, presented the topic "Applications of Non-Destructive Testing of Materials in Industries". Followed by hands on training.
